Ref. No. S.S.C.....

Dated 19-05-2022.....

**To Whom It May Concern**

Certified that I have visited the Double Storied School Building of  
“**Vishvas Public School**” on land situated at Vakya Rakba Patti Jhambra , Near Kishangarh  
Road at Shahabad (M) Distt. Kurukshetra on 19-05-2022 & made the following  
observations: -

That the building is constructed with Brickwork in Cement Sand Mortar with RCC slab  
roofing including RCC pillars at regular intervals cement plastering on walls.  
Tiles/Terrazzo/marble flooring at School building whereas brick paving/CC pavements in open  
areas, Wooden joinery works, tiles at roof level and fitting of water supply, sanitary and  
electricity etc.

That the workmanship and the whole of the materials used are of good quality.  
Accordingly in my opinion the said school building is structurally safe, sound and the same is  
worth living.
